server.server.get\_credid

```
graph LR; A[core.server.server.register_client] --> C[server.server.get_credid]; B[server.server.register_client] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'core.server.server.register\_client' and the bottom box contains 'server.server.register\_client'. On the right, there is a single box containing the text 'server.server.get\_credid'. Two blue arrows originate from the right side of the two boxes on the left and point towards the left side of the box on the right, indicating a relationship or flow from the left boxes to the right box.
