

core.queries.database.database.rollback

```
graph LR; A[core.queries.database.database.rollback] --> B[queries.database.database.unlock_advisory]; A --> C[core.queries.database.database.unlock_advisory];
```

The diagram illustrates a sequence of database operations. It begins with a gray rectangular box on the left containing the text 'core.queries.database.database.rollback'. Two blue arrows originate from the right side of this box. The upper arrow points to a white rectangular box containing the text 'queries.database.database.unlock_advisory'. The lower arrow points to another white rectangular box containing the text 'core.queries.database.database.unlock_advisory'.
