

object

```
graph BT; A[queries.database.exists] --> B[object]
```

A diagram illustrating a relationship between two entities. At the top is a white rectangular box with a black border containing the text 'object'. Below it is a gray rectangular box with a black border containing the text 'queries.database.exists'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box.

queries.database.exists
